### **Communications Data Group Signs New CABS and MBS Client**

**CHAMPAIGN, IL** – Communications Data Group, Inc. (CDG) is pleased to announce the signing of another new client, Tri-County Telephone Membership Corporation, an ILEC service provider located in Belhaven, NC. Tri-County and CDG recently signed a multi-year contract for CDG's CABS and MBS billing systems. CDG's conversion and implementation teams are currently in the process of converting Tri-County's data to CDG's systems.

In making this announcement, Bob LaBonté, CEO of CDG, said, "We are extremely pleased to add Tri-County to our growing list of billing clients. Tri-County has a long standing history of providing quality telecommunications, cable and Internet services to its subscribers and we look forward to helping them continue that tradition and grow their business."

#### About CDG:

CDG is a telecommunication billing solutions source offering MBS for wireline, internet, cable, VoIP, and IPTV, convergent billing, electronic billing, service provisioning, customer care, mediation, operational support systems and Carrier Access Billing System (CABS). CDG's CABS solution is flexible, scalable and developed in a modular design. Invoices produced either electronically, on CD-ROM or paper meet C/BOS industry output standards. The system provides audit trails for tracking messages and minutes. All Meet-Point options for all carriers, traffic types, jurisdictions and tariffs flow through the system.
